Revision: 1

Tools Required	Parts List
4mm Allen Wrench	SADDLE 3 #SP01080 6m Washers 3 #SP00259 6m x 12m Button Head Allen Bolts TANK PAD 1 #SP02049 6m x 50m Hex Head Bolts 1 #SP00176 Fender Washer 1 #SP00285 Lock Washer

1. Remove stock seat.
2. Corbin Cafe Racer saddle installs using bolts from the bottom just like stock (*Figure 1*).
3. Tank pad installs with a tongue in the front that slides into the bike chassis. The seat is then held in place with a bolt, lock washer and fender washer from below between the frame tubes (*Figure 2*).

Enjoy!
