

INTRODUCTION

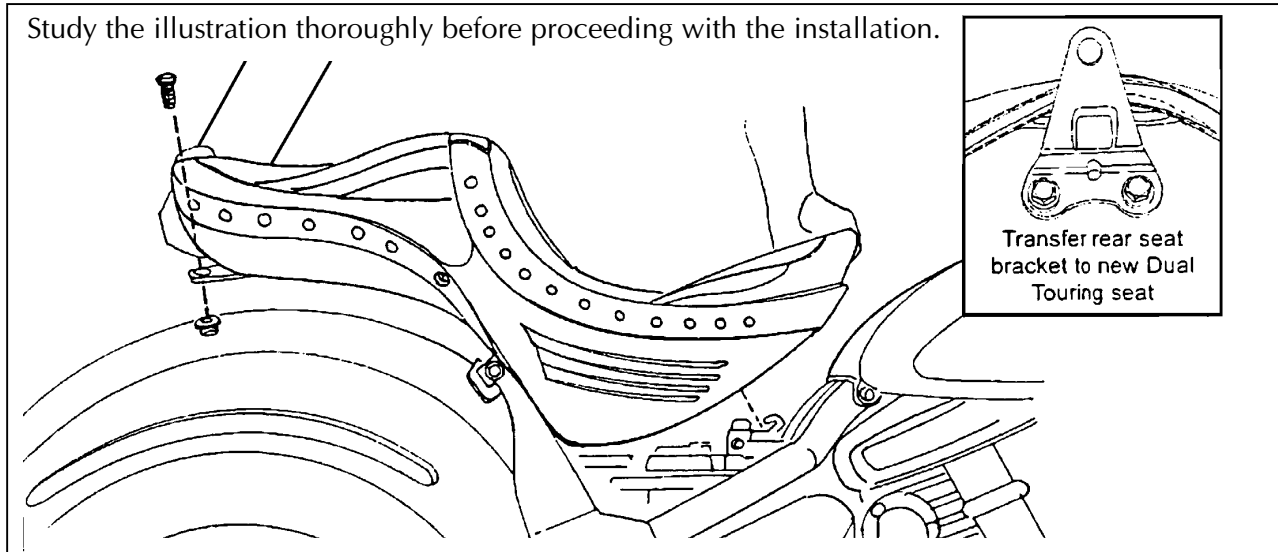

Please read and understand these instructions completely before installation to avoid any possible injury to yourself or damage to your motorcycle and/or accessory.

DEALER: These instructions contain important information for future reference and must be given to the customer.

1. PARTS LIST

Item	Part Name	Description	Qty
①	Dual Touring Saddle		1

Study the illustration thoroughly before proceeding with the installation.

2. PREPARATION

- Remove the stock seat and pillion pad.
- Remove the Pillion Pad mounting bracket from the fender, it will no longer be required. Keep the original mounting bolt for reuse.

- Lay the rear of the saddle down onto the fender. Secure the chrome tab to the fender using the removed Fender Bolt from Step 2b.

3. INSTALLATION

- Transfer the rear seat tab from the stock seat onto the Dual Touring Seat reusing the original two bolts.
- Slip the latching eyelet (located under the seat, towards the front) into the lock bracket on your chassis. Push down on the nose of the saddle until you feel the lock "click."

4. MAINTENANCE

Refer to your motorcycle owners manual for maintenance and care instructions.
